3. Selection of undergraduate candidates

All applicants will be notified in writing of the outcome of their application. All prospective students are selected in accordance with the admissions policy of the university. Certified copies of the required certificates must be attached to your application form.

Please do not send original certificates in the post.

Acceptance as a student does not mean that you have also been accepted at one of the residences or that you will automatically qualify for a bursary / loan.

4. Students from other tertiary institutions

If you were previously registered at other tertiary education institutions, you need to submit a full academic record and certificate of conduct issued by each institution at which you were registered. This statement must indicate all modules passed and failed and modules for which you are currently registered. Students who studied at the Port Elizabeth campus of the former Vista University before 2004 must obtain an academic record and a certificate of conduct from UNISA. 5. Financial assistance (South African applicants)

Nelson Mandela Metropolitan University offers financial assistance in the form of loans (administered on behalf of the National Student Financial Aid Scheme – NSFAS), bursaries, scholarships, scholar merit awards and sponsorships to students who qualify. Scholarships and scholar merit awards are awarded to top academic achievers and no application is required. Bursaries and sponsorships are given to students who fulfil specific criteria as required by the various sponsors. Loans, administered by NSFAS are available, on application, to students who meet the academic and financial criteria as laid down by the scheme. Only students whose parents/legal guardians have a gross income of less than R150 000 per annum may apply for these loans. Qualification (certificate, diploma or degree) you will be pursuing ..........................................................

Academic level of study (first year, senior, BTech / honours, masters / PhD) ..........................................................
1. The process which your application will follow is:
   1.1. Receipt of your application for on-campus residence will be acknowledged but this does not guarantee a place in residence;
   1.2. Your application will be sent to the Department of Housing, Living & Learning Programmes, for consideration;
   1.3. A selection process has to take place and only applicants who have been admitted into a university programme will be provisionally admitted into a university residence provided that space is available. Priority will be given to students who have obtained good academic results;
   1.4. Final acceptance into residence, for first year students will depend on your final examination results. A letter of regret will be sent to you if you fail to get acceptance into residences because of inadequate final examination results.
   1.5. Students are advised to come to residence only if they have received acknowledgement of admission to residence.

2. Students living in the Nelson Mandela Bay Metropole will not be considered for on-campus accommodation. Exception to this rule will be considered upon written motivation to the Director: Housing, Living & Learning Programmes.

3. The NMMU residences support the living and learning philosophy by providing programmes which will help ease the first-year student’s transition from high school and home to living independently and succeeding academically. Students are grouped together so that common academic interests are shared and where opportunities to learn from each other are created.

4. As a first-year student, you may feel isolated, homesick, lost and unsure when arriving at university. Each first-year student will be part of a mentoring group and attendance of the mentoring sessions is compulsory.

5. All first-year students are expected to share rooms. There are shared rooms in Xanadu (South Campus) and Letaba (North Campus) for males and Melodi (South Campus) and Lebombo (North Campus) for females, and Oceana (Second Avenue Campus) for males and females in separate buildings.

6. All students are expected to access the Meal Management System (MMS). This is a meal booking and billing system that manages student meal accounts for purchases of meals at food outlets on the different campuses and manages the pre-bookings of meals at residences and other specific venues. Registering for the MMS is done during the official registration periods when students register for academic purposes as well as for accommodation. Each student will have their own meal account in the MMS where a record of all transactions will be kept. Money must be paid into the MMS in order to create a positive balance against which all transactions will be deducted.

7. NMMU accepts no responsibility for a student’s personal property. Please ensure that you are insured against such eventualities.

8. Resident students undertake to be bound by the current residence regulations. Always ensure that the rules and regulation are well known to you as no excuse will be accepted to the contrary if challenged for misconduct.

9. There is a 24-hour security service to ensure the safety of students and their belongings. Close circuit cameras are situated in strategic places within the residences. NMMU’s security and residence managers can be contacted at any time in cases of emergency.

10. In the event of space on campus not being available to you, it is recommended that you approach the off-campus, privately-owned residences (Laboria and South Point) or contact the off-campus accommodation manager for assistance.
